AWARD

This is a reference under Section 10 (1), read with Section 12 (5) of the Industrial Disputes Act, 1947 made by the State Government of Orissa in their Labour & Employment Department memo No. 17544 (5), dated the 20th December 2001 for adjudication of the dispute mentioned below :—

“Whether the termination of services of Shri Iswari Prasad Behera and 23 others (copy enclosed), by the Executive Engineer, Right Canal Division No. I, Mukhiguda, with effect from the 1st August 2000 is legal and/or justified ? If not, what relief these workmen are entitled to ?”

2. The above reference has been received from the Government for answer. Both parties are noticed. The second party workman submitted the claim statement. Management filed written statement. The case was heard. As far as ten witnesses has been examined and cross-examined in the case, the management submitted that as there was no Government approval, they have to terminate the present workman. The workman though admitted the same and submitted that, the Chief Engineer while forwarding the representation of the workman in consultation with the District Labour Officer he has written that the Executive Engineer, U. I. Right Canal Division No. I is in need of the workman for supervision of the work. This being the position it appears that there is need of workman in the workside and the Chief Engineer feeling the same wrote to Government in the year 2000. Therefore, it is observed that there was no necessary to terminate the present workman from service. The workman (representative) also submitted a memo that they will not adduced any further evidence for they will claim back wages nor the period they were not engaged.

3. This being the position the only conclusion is drawn that the termination of the workman from service is illegal. The Management is directed to persue the matter in the Government and engage the workman within one month from the date of passing of the Award and it is further noted that the workman will not claim any back wages during the period they have not rendered service to the Government i.e. from the 1st August 2000.
